

STRAND LADIES GOLF NEWSLETTER JULY 2019

**Plenty of people miss their share of happiness, not because they never found it, but because they didn't stop to enjoy it.
(W Feather)**

Ladies,

In the spirit of Mandela Day, this month, I was once again astonished to experience the goodwill amongst our lady members. Thank you from the bottom of my heart for all the contributions towards this day. It was decided to contribute towards Kays Caravan Park.

After numerous phone calls and no luck of someone responding from the Park, I came across Helping Hands – “Ons Plek”. Ons Plek is situated in the Voortrekker Building, same road than Kays and provides daily meals for 40 children. They have a little crèche accommodating about 13 children from Kays and surrounding area. Joey Lotter is the lady in charge who welcomed me with open arms. What I really love about them, whatever they cannot distribute directly to the needy families from their donations received, they sell in their shop to the public to gain money again for food supplies.

There is a lady, 78 years of age, doing volunteering work for no pay, staying in Kays Caravan Park, scrubbing the pots and pans. With a warm smile I was welcomed and Joey explained to me before I left that this lady told her for the first time in her life she felt like she is loved and have a purpose in life. They also had their first matriculant about a year ago and is helping her with sponsors to further her studies. They also have a room where children can do their research on computers for school projects. There is a little room where the toddlers can watch television (with some mattresses and small blankets), a small library, showers for the children to use and then the kitchen.

I will definitely continue to contribute towards them. Whenever you want to clear out something and do not want to go yourself, I will gladly assist. You are welcome to Google them at www.helpendehand.co.za - Joey Lotter number: 0797339477
