### **20 August - 3 Ball Progressive/WP League**

While a few ladies participated in this event with no wind in the Strand, some of us were battling it out in extremely windy conditions in Cape Town. Winners: Linda van Zyl, Sunel Swanepoel and Rene Malan with 63 points.

Our three league teams had a bit of bad luck and all 3 teams lost 2:1. We are still very positive for a comeback in the last few matches remaining and our position on the result sheets is still looking good.

Almost all seasons in one day, 18 ladies played and the winners were: Marié Smit and Susan Hough with 74 points. Runners up: Mercia Ruegg and Sue Smith with 67 points. Nearest to pin: Lynette Brink on the 14<sup>th</sup>

Ladies, next year we want to see more of you in this event and as the two ladies reported back ...”it’s a must play event on your calendar and we’ve been spoiled”.

**“In our thoughts”**

Cecile, from our Ladies Section, we are very pleased that you still make time for your golf and hope that there will be a speedy recovery for Adrian.

**In General**

I am keeping extra records of all your games played in our competitions, since April for various reasons. For this past month I just want to congratulate a few people who improved on their games. Marcelles du Toit, Petro Louw, Mercia Ruegg, Susan Hough and Lynette Brink, keep it up!

Golf is like a love affair, if you don't take it seriously, it's no fun; if you do take it seriously it breaks your heart (so say: Arthur Daley).

Lots of golf love.
